

Guest Speakers

As part of our Culinary Arts Training program, we welcome guest chefs who join us to teach a class in their area of expertise. Volunteers from the banking industry teach financial literacy; social service/coaching professionals volunteer their time to

teach the life skills module of the program. We are always in need of tutors to assist our students with study skills related to the academic portion of the program. Volunteer time could range from a two hour session to several sessions, based on your availability. Contact Rita Cinelli at 856-964-6771, ext. 105 or rita@cathedralkitchen.org.

Volunteer life coaches, Donna Meyer (left) and Kathleen Cashman (right), pose with culinary students who display their certificates upon completion of a series of life skills workshops as

part of the Culinary Arts Training program.
