Dress Code for Serving Meals

This dress code is to help ensure the health and safety of our volunteers and our guests. Thank you for your understanding and cooperation.

- We prefer you to wear long pants or capris. You may wear shorts or a skirt, however, BOTH SHORTS AND SKIRTS MUST BE AT LEAST KNEE LENGTH.

- Please wear a top that covers from your neck down to below your waist and your upper arms (NO SHORT TOPS, TANK TOPS, CAMIS, SCOOP OR V-NECK, OR THIN STRAPS). In hot weather, short sleeve t-shirts are preferred.

- All clothing (tops AND pants) should be loose fitting (NO TIGHT KNITS OR SPANDEX).

- Sneakers are preferred. Shoes with toes and heels covered are a must. (NO SANDALS, FLIP-FLOPS OR HIGH HEELS). Spills happen and we don’t want anyone to get burned by hot food.

- Long hair must be pulled back in a clip or band.

- Due to health regulations, you will be asked to wear an apron and latex gloves. You may bring your own apron in the style shown here if you like. If you are plating food in the kitchen, you will be asked to wear a hairnet. You may wear a hat or baseball cap if you prefer.
